

August 2020 EVENT PROGRAM CHANGE

1328 Forest Avenue Kirkwood, MO 63122

WE'VE GONE VIRTUAL FOR AUGUST!

The LNAGSL Board Invites All Members and Guests to Attend "A VIRTUAL Tour of Tower Grove Park"

Dear Members of LNAGSL,

Foremost, we hope you are in good health and your season is going well. These certainly are interesting times to navigate, especially with the seasonal aspect of our industry. Your Board of Directors has made the difficult decision to postpone the in-person family picnic and tour of Tower Grove Park that was scheduled for August.

However, we are very fortunate and pleased to announce that Steve Hogenmiller, Horticulture Supervisor for Tower Grove Park and LNAGSL Board Member, will be giving us a FREE, PERSONAL virtual tour of Tower Grove Park! We will be sending out a link to the video in the next few weeks, to watch at your leisure. We wish to thank Steve and the staff at Tower Grove Park for all their work and time in making this happen!

We wish to personally let you know that our Association mission is strong and our commitment to continue is unwavering. We will persevere and when the time is appropriate, gather once again. Operating in these days of COVID-19 is new territory for us all. We will continue to adjust to the conditions around us in service to you and lead the cooperative exchange of responsible knowledge and beneficial information intended to achieve landscape and garden excellence in the Gateway region.

WE WISH TO WELCOME OUR NEWEST MEMBER, TREEBUTE MEMORIAL!

Welcome, Brian and Elizabeth Schenk! "Treebute Memorial's mission is to provide an exceptional first-class experience facilitating the selection and installation of your memorial tree, bush, or shrub. We are committed to the environment and best practices for optimal tree health and longevity through seamless, caring installation and communication to support you in your Treebute's ongoing maintenance. Memorial trees are a wholesome tradition to help ease the grieving process from the loss of a loved one or pet - or to celebrate a milestone such as a birth or a new start - with an eco-friendly, tangible tribute of new life."

*We continue to fundraise for our annual horticulture scholarship, the **2020 John L. Masek Ornamental Horticulture Scholarship**. Please consider donating by mail. Our goal is \$1,000.00. Your generosity goes towards the future of horticulture!*

Upcoming Programs:

In light of recent global events, our planned program schedule will be changing. Because of ongoing changing health guidelines and restrictions, we will notify you three weeks prior to each planned program. Those notifications will be emailed AND listed on the LNAGSL website and Facebook page.
