

2020 John L. Masek Ornamental Horticulture Scholarship Application Scholarship Information

The primary intent of this scholarship program is to provide financial aid to support the pursuit of education by individuals intending to professionally practice in the field of ornamental horticulture within the St. Louis region. The LNAGSL recognizes and appreciates the value to our organization, the professional green industry and the communities of the region of encouraging the development of knowledgeable and talented individuals.

Appropriate applicants are either individuals currently working within the horticulture industry and desiring to seek further education or students currently enrolled in university or community college level classes specifying horticulture as their focus with intent of pursuing employment within the metropolitan St. Louis horticulture green industry. Applicant must show proof of current enrollment or enrollment in the next semester (allowing high school students to apply) of a university or community college horticulture program. Applicants pursuing adult continuing education or other program types (i.e.: botanical garden classes) are not eligible.

NOTE: This scholarship is a one-time award of \$1,000. Your employer does not need to be a member of the Landscape and Nursery Association of Greater St. Louis for you to qualify as a scholarship applicant.

The application includes two forms, one to be filled out by the scholarship applicant and the second to be filled out by the applicant's academic advisor or department chair.

Application due: Monday, February 15, 2021
Scholarship Notification: Monday, March 1, 2021
Recipient Recognition: LNAGSL Meeting – TBA

Applications must be emailed to info@stlouislandscape.org with subject line: LNAGSL Scholarship.
